

# Housing Supply Overview

A RESEARCH TOOL PROVIDED BY SOUTH CAROLINA REALTORS®

## September 2023

Sales of new single-family homes decreased 8.7% month-over-month, to a seasonally adjusted annual rate of 675,000 units, according to the U.S. Census Bureau, the slowest pace since March. Higher mortgage interest rates are taking their toll on buyer demand, and a number of buyers are choosing to postpone their next home purchase until rates move lower. With sales softening, builder confidence also declined, falling five points to 45 in September, according to the National Association of Home Builders (NAHB). For the 12-month period spanning October 2022 through September 2023, Pending Sales in the Hilton Head Association of REALTORS® region fell 14.4 percent overall. The price range with the largest pending sales gain was the \$750,001 to \$1,000,000 range, where sales were up 2.3 percent.

The overall Median Sales Price went up 8.6 percent to \$505,000. The property type with the largest gain was the Condos segment, where prices rose 13.9 percent to \$427,300. The price range that tended to sell the quickest was the \$150,001 to \$250,000 range at 86 days. The price range that tended to sell the slowest was the \$350,001 to \$500,000 range at 168 days.

Market-wide, inventory levels were up 19.5 percent. The property type with the largest gain was the Condos segment, where the number of properties for sale increased 38.9 percent. That amounts to 2.4 months of inventory for Single-Family Homes and 3.5 months of inventory for Condos.
